- Storage and archiving of information.

d. Based on your consent, according to art.6 para.1 letter a) in the General Data Protection Regulation.

In consideration of this legal ground, your personal data is processed by the Bank for the following purposes:

- For performing verifications/interrogations with Credit Risk Register and ANAF databases, when you require a credit product, for credit risk analysis;
 - For audio record of the phone calls with the Bank, for improving the quality of the services;
 - For providing certain benefits/facilities stipulated by the law, based on your request that shall represent your implicit consent;
 - For processing biometric data, in the context of remote identification. in order to access some of the services / products of the Bank (e.g. initiating the business relationship through video banking or internet / mobile banking app, remotely updating your identification data, performing the onboarding process for digital signature certificate, etc.);
 - Analysing your behaviour upon accessing the Bank website, by using cookies, both of the Bank and of third parties.
- Profiling for marketing purpose

If you consent to this, your personal data will be processed by the Bank, directly or through its contractual partners, in order to evaluate your behaviour and other personal aspects. Based on these data, the Bank will make a profile of you, based on which a) it will make predictions about your preferences regarding the Bank's products, services and offers, the most appropriate communication channel with you, your behaviour in relation to the Bank; and b) it will develop new products and services.

The Bank will process for direct profiling the data provided by you (e.g: when requesting / purchasing products and services, when updating your data, performing operations, making requests related to the contractual relationship, regardless of the communication channel you use), data resulting from the use of the Bank's services, products and applications and data obtained from the Bank's partners (e.g Credit Bureau, Credit Risk Register etc.). Without the enumeration being limitative, , these data may include information about your behaviour (e.g, types of transactions, payment / repayment behaviour), and personal issues such as age, income, address, occupation, education, banking products you use etc.

The data will be analysed based on some profiling mechanisms, which in some cases include automated decision-making algorithms aimed at framing you in one profile or another. We always make sure that such processing is carried out with the observance of your rights and freedoms and that the decisions made based on them do not affect you to a significant extent.

- Marketing communication

If you consent to this respect, the Bank will process for the purpose of direct marketing communications the contact data you have provided to the Bank directly, in the context of initiating the business relationship with the Bank or when updating your identification data, regardless of the communication channel or method of transmission, respectively name and surname, address (domicile / residence / correspondence address / e-mail address), contact details (landline / mobile phone, fax, e-mail). The Bank may also process for this purpose information regarding your accounts opened in our applications and platforms and information regarding your social network accounts.

Your personal data will be processed by the Bank for the purpose of communicating information and / or offers regarding the Bank's products, services and activities, by phone calls, letters, e-mails, SMS or other text messages, push messages, through the applications you use in your relationship with the Bank

(e.g. Mobile Banking, Internet Banking or other Bank apps), through social networks (e.g. Facebook, LinkedIN etc.).

The Bank will process your data both for the purpose of contacting you directly and indirectly through its partners, including through social networks (e.g. Facebook, LinkedIN). In the latter case, the Bank may also contact you through the so-called personalized audience service, offered by both Facebook and LinkedIN. More details on this service are available [here](#)¹ (for Facebook) and [here](#)² (for LinkedIN). Further information on the processing of personal data by Facebook and LinkedIN is available [here](#)³ (for Facebook) and [here](#)⁴ (for LinkedIN).

If you do not give your consent for such operations, they shall not be carried out by the Bank.

4. Automated decision-making processes

The Bank uses automated individual decision processes which, in certain circumstances, may have legal effects over the data subject or may similarly affect it in a significant manner.

Such decisions, for exemplification, may be:

- Decisions made to provide for the security of the payment instruments; the Bank monitors the payments made using the card or online through other remote access tools (e.g.: monitors the details of the transaction, identifies the location and the date/time of an online payment) and adopts automated protection measures, such as blocking the payment instrument or the account, restricting the transaction, if suspicious operations are identified (such as recurrent payments unusual in terms of frequency, amount, based on the source of funds declared by the Clients holding accounts, transactions initiated from different places at short time intervals, which do not allow for the travel between such locations, etc.);
- Decisions adopted in connection with the loan requests; thus, in order to determine the eligibility to contract a credit product, the Bank shall automatically analyse a series of factors, including the level of indebtedness and, depending on the results of the analysis, shall decide upon granting the loan or not; more details concerning this process are given in the Information Notice for the credit granting process, available at www.firstbank.ro, Data Protection section.

5. Duration of processing the personal data

The processing (including storage) of the personal data is done by the Bank for as long as this is necessary for the achievement of the purposes for which it has been collected, in compliance with the relevant legal provisions in force.

⁴ https://www.linkedin.com/legal/privacy-policy?trk=homepage-basic_footer-privacy-policy

The processing (including storage) of the personal data is done during the entire validity period of the contracts, as well as for 10 years after the end of the financial year during which the documents the accounting records rely on are issued, according to the accounting legislation in force and to the legal norms concerning the archiving of documents, as well as throughout the existence of another relevant legal ground, as the case may be.

The personal data shall be processed by the Bank for the purpose of knowing the client, as well as for the prevention of money laundering and financing of terrorism, for at least 5 years after the termination of the business relation.

The personal data submitted to Biroul de Credit S.A (Credit Bureau) are stored there for 4 years after the date of the last update. The personal data submitted to the Credit Risk Register are stored there for 7 years after the registration.

The video records shall be kept for a period of maximum 30 days, except for the situation when there are justified grounds to keep them for a longer period.

If you have previously given your consent for the processing of your personal data for profiling and/or direct marketing purposes, your data will be processed for this purpose as follows:

- if you are / become our client, until you withdraw your consent or until the expiry of a period of one year from the date of termination of the business relationship with the Bank whichever occurs first; or
- if you are not / do not become our client, until you withdraw your consent or until the expiry of a period of one year from the date of your consent whichever occurs first.

The Bank may, after the legal archiving period, render the data anonymous. The data is thus no longer personal and the Bank may continue to process the anonymous data for statistical purposes.

6. Recipients of the personal data

Depending on your relations with Bank, as the case may be, your personal data may be sent to:

- The data subject or to the legal or conventional representatives of the data subject;
- The contractual partners of the Bank (such as debt collection/receivables recovery agencies, couriers, notaries, lawyers, consultants, accountants, authorized evaluators, censors and auditors, suppliers of IT services, or physical and/or electronic archiving services or to other suppliers of services, bound to comply with the confidentiality obligations as concerns the data transmitted);
- The main shareholder of the Bank and to other entities thereof;
- Partner banks and correspondent banks, banks or financial institutions participating to syndicated loans;

- State authorities, in line with their competences and with the legislation in force, such as: the National Bank of Romania, the National Agency for Fiscal Administration, the National Office for Prevention and Fighting Money Laundering, Competition Council, Financial Supervisory Authority, Bank Deposits Guarantee Fund;
- Judicial/investigation authorities, courts, central public authorities, credit bureaus, judicial executors.

The data transferred to third parties shall be adequate, pertinent and non-excessive against the purpose for which it has been collected, and which allows for its transfer to a certain third party.

7. International transfer of personal data

In order to achieve the above-mentioned purposes, the Bank may transfer certain categories of personal data outside Romania, in member states of the EU/EEA, as well as in countries outside the EU/EEA. For the transfers outside the EU/EEA, to countries without an adequate protection level, the Bank shall transfer the data based on the standard contractual clauses adopted by the European Commission or on other guarantees confirmed by law.

8. Necessity to process the personal data

Your personal data is required to achieve the above-mentioned purposes. Non-supply of the personal data required may cause delays in the availability of certain products and services or make it impossible for us to supply the requested services and/or product.

If you oppose the data processing for the purposes related to the legitimate interest, we inform you that such option will be analysed and, depending on the particular situation of the data subject, you are to receive an answer according to the General Data Protection Regulation.

In case of data processing operations based on your consent, we mention that the lack of the consent leads to the non-achievement of the said operation.

9. Your rights and manner in which you can exercise these rights.

As data subject, you have the rights stipulated under art. 15-22 in the General Data Protection Regulation, i.e.:

- a. Right of information: right to be informed as concerns the identity and contact details of the controller and of the data protection officer, the purposes for which the data is processed, the categories of personal data concerned, the recipients or the categories of recipients of the data, the existence of the rights provided by the personal data protection legislation for the data subject and the conditions in which such rights can be exercised;
- b. Right of access to data: the right to obtain from the controller confirmation as to whether or not personal data concerning you are being processed, as well as the information mentioned above;
- c. Right of rectification: the right to obtain the rectification of inaccurate personal data concerning you, as well as the completion of incomplete data;

- d. Right to erasure: the right to obtain the erasure of personal data concerning you, if the legal conditions are met;
- e. Right to restriction of processing: the right to obtain restriction of processing the personal data concerning you, if the legal conditions are met;
- f. Right to data portability: the right to receive the personal data in a structured, commonly used and machine-readable format and the right for such data to be transmitted by the Bank to another controller, if the legal conditions are met
- g. Right to object: the right to object at any time, on serious and legitimate grounds relating to your particular situation, for the processing of personal data concerning you to be object of processing, if the legal conditions are met;
- h. Right to be excluded from automated individual decision-making, including profiling: the right to request and obtain the withdrawal, cancellation or re-evaluation of any decision based exclusively on automated processing (including creation of profiles), producing legal effect concerning you or significantly affecting you;
- i. Right to withdraw your consent at any time, if the data processing operation relies on your consent, according to art. 7 para. 3 in the General Data Protection Regulation, without the withdrawal of the consent affecting the legality of the previous processing operations;
- j. Right to lodge a complaint in court or at the ANSPDCP (Authority for the Supervision of Personal Data Processing): right to lodge a complaint at ANSPDCP, and respectively to lodge a complaint in court to defend any of your rights guaranteed by the data protection legislation in force which have been breached.

In order to exercise the rights provided under letter a) –i), you can file a written request, dated and signed, sent to the Bank, to the address Sos. Nicolae Titulescu nr. 29-31, sector 1, Bucharest or via e-mail at office@firstbank.ro.

At the same time, here are the contact details of the Data Protection Officer of the Bank: postal address Sos. Nicolae Titulescu nr. 29-31, sector 1, Bucharest, email address dpo@firstbank.ro.

If you file a request concerning the exercise of your rights concerning the processing of the personal data, the Bank shall answer such request without undue delay, within one month, under the conditions stipulated in the General Data Protection Regulation.

The Bank, as personal data controller, processes your data legitimately, implementing at the same time adequate technical and organizational measures to ensure the integrity and confidentiality of the data, according to art.25 and art.32 in the General Data Protection Regulation.

10. Measures implemented by First Bank in order to ensure the personal data protection

First Bank gives particular attention to your personal data and understands to comply with the legal requirements concerning the personal data protection. In this respect, the Bank has appointed a data protection officer, adopted internal regulation for the personal data protection, including for the management of the security incidents, settlement of the requests of the data subjects, data protection impact assessment, periodic training and testing of the employees for strengthening and raising awareness as concerns the data protection activity, implemented technical and organizational measures ensuring the confidentiality, integrity and availability of the personal data. At the same time, the Bank has taken data protection measures, including in the relation with its partners to whom it transfers personal data, depending on their capacity against the Bank (proxies or associate controllers).

11. Updating the Information Notice

This Information Notice concerning the processing of the personal data is updated periodically and is available at any time at the address www.firstbank.ro, as well as in any territorial unit of the Bank.
